

CHRONOFIGHTER GRAND VINTAGE Ltd – SWISS EDITION

The dial features the "Poya", a traditional Swiss art of paper-cutting which consists of making symmetrical art forms.

On black paper, only the shades and outlines of the figures are left, giving a lace effect.

The typical Poya depiction, linked to rural traditions, shows the climb of the cow herd to the mountains pastures. Combined with a brown and white cowhide strap, the watch pays tribute to the Swiss heritage of beliefs and usages as well as the memory of ancestors.
